

(2) In applying the criteria in paragraph (k)(1) of this section, the Corporation will weigh the requester's commercial interest against any public interest in disclosure. Where there is a public interest in disclosure, and that interest can fairly be regarded as being of greater magnitude than the requester's commercial interest, a fee waiver or reduction may be granted.

(3) When a fee waiver application has been included in a request for records, the request shall not be considered officially received until a determination is made regarding the fee waiver application. Such determination shall be made within five working days from the date any such request is received in writing by the Corporation.

§ 2507.9 What records will be denied disclosure under this part?

Since the policy of the Corporation is to make the maximum amount of information available to the public consistent with its other responsibilities, written requests for a Corporation record made under the provisions of the FOIA may be denied when:

(a) The record is subject to one or more of the exemptions of the FOIA.

(b) The record has not been described clearly enough to enable the Corporation staff to locate it within a reasonable amount of effort by an employee familiar with the files.

(c) The requestor has failed to comply with the procedural requirements, including the agreement to pay any required fee.

(d) For other reasons as required by law, rule, regulation or policy.

§ 2507.10 What records are specifically exempt from disclosure?

(f) *Personnel, medical and similar files.* Included in this category are personnel and medical information files of staff, individual national service applicants and participants, lists of names and home addresses, and other files or material containing private or personal information, the public disclosure of which would amount to a clearly unwarranted invasion of the privacy of any person to whom the information pertains.
